

## **Chiara Benedetto**

Chiara Benedetto MD PhD FCNGOF, FEBCOG, FRCOG, FACOG is Professor of Gynaecology and Obstetrics, Director of the School of Specialization in Gynaecology and Obstetrics, President of the Degree Course in Midwifery and Head of Obstetrics and Gynaecology 1, Sant'Anna University Hospital, The City of Health and Science of Torino, Italy.

She is currently representing the Italian Society of Obstetrics and Gynecology in the Council of the European Board and College of Obstetrics and Gynaecology (EBCOG) and the International Federation of Gynaecology and Obstetrics (FIGO). She is also Chair of the FIGO Refugees Sub-committee.

She was EBCOG President from 2011 till 2014 and launched, at the European Parliament, "The Standards of Care for Women's Health in Europe" aimed at promoting and improving the quality of ObGyn care across Europe. She also chaired the Surgical Group of the Union Européenne des Médecins Spécialistes.

She was Chair of the FIGO Women's Health and Human Rights Committee, which held worldwide Workshops for professionals, developing competencies to enshrine Human Rights into the provision of Women's Healthcare and prepared international Communication Campaigns, sharing health information to enhance women's empowerment.

She established and presides the Medicina a Misura di Donna Foundation, dedicated to women's health and safety.
